

Date Oct 11, 2006	Technical Newsletter	No 25	GRINDEX
Subject New version of stator housing			www.grindex.com

Dear Distributor,

Design modification

In October 2006 new stator housings have been introduced.

Pumps concerned

Midi, Semi, Matador and Senator.

	Part No.	
Pump	Old version	New version
Midi, Semi	5007200	5007202
Matador, Senator	5007300	5007302

Reason of change

New tools for casting have been made.

Time of change

The old version are obsolete from October and from now on only the new version will be available as spare part. Note: Already placed spare part orders will be delivered in accordance to the old version.

Parts interchangeability

For NEW LINE and PROLINE the interchangeability is full.

There is **no interchangeability** between **OLD LINE** and the new stator housing **No. 5007202** and **5007302**.

Yours sincerely,

Ola Hällgren

Technical Manager
